(Ku Mhleli weLanga.)

Mngane, -Ngisekela uMr. F. M. Cele kanye nababamba naye Mhleli noma onundu. Ayiko enye into engapili isizwe ngapandhle kwizikwama. Isizwe eiba isizwe sikhonipika sibe negama kwezinye ngenxa yezikwama nemisebenzi nezinkampane zaso! URev. J. L. Dube ngonyaka ka 1916 ekuyekeni kwake ubungameli bweS. A. N. N. C. watembeza into azoyenza isizwe. Waneleka kakulu umqondo wake. Musi onundu yazi ukuthi uNkulunkulu uyayisekela imigondo ezama ukuhlungula nisa nokwaka imipilo yesizwe. MaAfrica vulani okusezingqondweni zenu nisebenzele isizukulwane. Ushilo umfo wakwaMvuyana, uHenry, wati seuse zandhileni owake u£3. Abaningi baloku behlabelela ngemfomo nje beti tina singabomdabu tina singamaAfrica izwe leto leli. Masingesho ke kupela ngomomo nje makukuluma izenzo noMnyama no masingalali ebungweni obabulala obabemkulu, okoko betu. Tina silindele okade bebona balungise izindhla bangesine amakosi nezimuzane ukupela. Ilanga lipumile makolwa sebenzani isizukulwane.

Yimi owenu,
JOHN M. SHIBE.

Nawe Unje ?

Inxa unozwela ungeze wazibona uma ungeso wazipenyisa. Unalo? Uholoz' ukukwela yikanda? Uyisikohlwa? Kuyakwahlula ukugxilisa inhlelo yako emsebenzini? Uye uze ubutakatake ezingalweni nasezintweni futi ukatale ngeze? Inxa loku kulanda kufanelana nawe udinga umuti wamandla ongena luto oludakiasyo ngoba leyo imikwazi yeNeurasthenia. Funa igabha lama-Pink Pills kaDr. Williams esitolo esise-duze. Qala lomuti kona manje. Unga bona inxa ukusebenza kokunika amandla kwalamaPills kusiza ngoba uyoba nendhliziyo emhlope ekudhleni kuti okudhlayo kungasindi kube yisigaxa. Lapo igazi elinonileyo elibomvu selingalela kuwo wonke umzimba wako kuyonyisa malala ukuziswa ukatele udanile bese wazi ukuthi udhla umuti okuyiwona wona.

Abantu abanakugwema iNeurasthenia. Baraliwa betebele kuyo. Kodwa ngokwaka igazi ngamaPills kaDr. Williams lokukuthelela kungaqotshwa kupela.

Gximeka itimba lako kulomuti upeze esikabini esinezimvane kokuboshwa kukaJohane umBaptisi. Okwamanje kubonakala ukuthi uPetro noJohane makube babese nalabo befundi abalandela uJesu baya eKana naseJerusalem, lapo babona kona isimangaliso sokugazi, nokugqwa kwetempeli, bezwa amazwi okupela eshunyayelwa kuNikodemu nakowesifazana waseSamaria nabantu bakuto, bezwa nokunye ukufundisa kwomlomo wake babona nezinye izimangaliso ezenziwayo.

2. Ngako lapo isixuku sidhula kuJesu lapo efundisa ngasolwandle lwaseGalile, asimangali ukuba isikebhe sikaPetro sibe siseduze, nokuba sanikezwa ngesihle kuJesu ukuba kube indawo yokushumayelela, nanokuthi uJohane nomnawo babizwa ukuzobambisa izinhlanzi ezadotshwa ngesimangaliso belelela izwi likaJesu alisho kuPetro. Isimangaliso lesi sifikisani kuPetro? Siyabona ukuthi babe lungiselwa ukusabela kuJesu lapo eseti mabashiye ukudoba izinhlanzi babe abadobi babantu.

3. Masikumbule ukuthi lababantu babe ngesibo abafundisi nabashumayeli kubabizeni kuJesu. Kwabe kungabantu nje abazisebenzela umsebenzi opansi, ukudoba, ocishe ukuba umsebenzi opansi wokutola ukudhla eGalile njengokulima.

UJesu wababizela umsebenzi owahlukileyo, lo wokudonsa abantu: Bapendula batini? Benza izaba? bati, kuhle sibambelele ekudobeni kwetu funa sibale ukudhla kwetu kwemihla, nokuthi masingashiyi ababa nezisebenzi nje, nokuthi asifuni ukumkama emakaya, etc. Sifunda ukuthi bashiya konke kona lapo balandela uJesu. Balandela lolubizo lokuya kusebenza, wase uJesu ebelungiselela umsebenzi wabo.

IV. Izifundo zabadobi ebunyangeni bokudonsa abantu. I. Zimbili izindhla ezinkulu zokudoba—enye eyeneta, ukubamba izinhlanzi ngaziningi, enye ngeyodobo, yokuzibamba ngazinye. UJesu wasebenza ngazo zombili lezindhla, imihlangano emikhulu efundileyo, nokukhuluma kumuntu ngamunye. 2. Omunye wemiteto emikhulu ekudobeni ukuba wena usitele. Nati kusweleke sisitele tina, okuthi masidonsele abantu kuKristu, hai kiti. UJohane umBaptisi uyincwadi yetu enkulu. 3. Ubuhlakani bomdobi ukukangisa inhlanzi angayi bhabhasi ayicindezele, nomdonsi wabantu njalo.

Kukona isu elenziwa abantu bamadolapa amakulu lokwenzisa okoMuewabo womuntu.

Indoda engumKristu noma umfana ibona umfana ongapansi kwake ngobudala enesizungu edinga ukusizwa noma esengozini yokwona kala isimilo sake uye etembele ukuthi uzo ngumnawo, kungabi kupela ngokumuleka kapa nokuba umnawo wake, ammelele nasekaya lake amnye nasezindaweni ezitile ezinhle nasezindaweni emhlophe abe loku emisa emkombezi ngokuhamba kwake nangokukhuluma ukuthi kuhle ukuba ngumKristu.

Kwake kwabakona imbumbi wesitini umuntu ojabhelo kakulu owati unfana umfana wokusebenzela. Umfana wokugqala owafikayo waga ukubiza imibuzo wati, "Utholela malini?" Indoda yaphendula yati, "Upondwe ngesonto nokudhla." Umfana: "Ukudhla okunjani?" Indoda ekulupheyo nenhliziyo eahle: "Ngizakudhla mina."

Umfana: "Nginika lomwesebenzi," esho emomoteka ngomlungu wake omusha. Le yindaba nje kapa siya sibona isifundo sayo. Umenzi wesitini lo wazigqadi enhle yomuntu okudhlayo ukudhla kwake. Wena nyikolwa lwahloloboluni? Abanye bayafuna ukuba njengawo?

Isifundo sesikole seSonto.

Esesibili Oct. 12. 1919.
ABALOBIBABANTU: Mark 1:14-20.
ISITATELO: UJesu wati kubo, Ngilandeleni ngiya ku nenza abadobi babantu Mk. 1:17.

Amanye amavesi aotisha.—Matt. 4:18-22; Luke 5:1-41; 14:15-24; Jak. 5:19-20; Isamb. 22:17.

Eyizingane indaba: Ukusiza abanye ukwazi uJesu.
OKUJONGIWEYO: Ukuba abantu balungiselwe ukuzwa balalele ukubizwa kwesibili kwabafundi, kokuya kusebenza. Ku ubizo kutisha ngobu kubu afunde indhla yokudonsela abantwana kuKristu.

ISU LESIFUNDO: 1. Osekwenzekile seloku kwesifundo esidlulele. 2. Ukudotshwa okukulu kwezinhlanzi, Luke 5:4-9. 3. Ukubizwa kwabane. 4. Izifundo zabadobi ebunyangeni bokudonsa abantu.

1. Lapo sifunda ukubamba kwabo Petro noJohane itakulu ngaleli kwata kuhle ukukumbula okukhulisa kwabo ukwazi uJesu nokuthi bamakela baba abafundi baka.

Isifundo setu sanamhla siyeqa siye esikabini esinezimvane kokuboshwa kukaJohane umBaptisi. Okwamanje kubonakala ukuthi uPetro noJohane makube babese nalabo befundi abalandela uJesu baya eKana naseJerusalem, lapo babona kona isimangaliso sokugazi, nokugqwa kwetempeli, bezwa amazwi okupela eshunyayelwa kuNikodemu nakowesifazana waseSamaria nabantu bakuto, bezwa nokunye ukufundisa kwomlomo wake babona nezinye izimangaliso ezenziwayo.

Amahlabi.

Bakuluma nje baza bezwana, yapela leyo. Enva kwakoko wayimemezelele indaba yezintombi leyo abamba ngayo. Inkosi yamaHlabi yayamukela kahle, yati "Tina lapa kiti silobolisa ngazo lezo ezi ishumu." Kwaba kuhle nje loko.

ISAHLUKO YIII.

UKUGODUKA KWENKOSI.

Uzwani - Ie, kute ngo 1872 yagoduka iNkosi yakwaNodwengu. Niyazi ke nonke ukuthi seloku kwakukona ivuso lokuthi omunye uMntwana kafanga mdhla kulwa Usutu neziGqozo eNodandusuka. Bonke abanumzane baseziGqozo babeginisa beti uMbuyazwe kwafika, beti uhlile ngabelungu. Kwati ke ngaloko uba kukotame uyise kwaba kuhle ukuba kubizwe bona abelungu bazombelela esikundhleni sikayise, kona kuzadele uZulu wonke ukuthi kanti wafa impela.

Wahamba ke uSomtse kwatunywa yena ukuya kubeka uCetshwayo. Wapela lezela yidhlanzana. lamaboto akubho kanye nezinduna nabantu bazo. Yayalwa ke iNkosi ngokuthi msiyeke yonke imikuba yamaKosi akwaZulu awabe ebubala umuntu engalitetanga icala lake, noZulu wajabula wonke ngamazwi kaSomtse. Waguquke ke oKaSonica ese wufezile umsebenzi abe ewutunywe nguHulumeni ukuba ayowenza. Wati efika ekaya zase zishana ngamandla ezokuthi uLangalibalele udelele uHulumeni kesi lapa ebizwa.

Kulezo nsuku wagoduka uNcwane kaMtimkulu ong'uyise wabo bonke abakaMtimkulu. Po ke uLangalibalele wazila nabantu baka, kwabizwa inyanga yokuya kumgezisa ichela ekaya, kwenzijwembe bacinge, njengomkuba wabantu bonke. Kwati konke loko kwaguqukelwela kwatiwa u'encinda echela impi ngoba ezakulwa nabelungu.

Ukugcina kwatunywa uMahoza kaMilandu wakwa Mize, induna, kwatiwa kanyombiza azokuluma noHulumeni. Ake nginixoxele amazwi engawakuluma noMahoza ngobu lwami kusihlwa, mdhla eyokuhamba ngakusasa.

UMahoza lona uyisibhobo kimina ngenxa yoba watata intombi kaSinuka nawa kwadhlamini emaKuzeni; nobaba futi uMgawaza watata intombi kaMqongo umfowabo ka Sinukane. Nami bengizinge ngihambela kaye, engazisa ngoba ngingumntwana womkhakha. Kute ngalowo mhlalwa ngatata uLudwe ndwe womfo wabo kaMdubedube wakwa Ndhlovu, sahamba sobabili noLudwe ndwe, kusihlwa, saya kuvalilela kuye emzini wake eSisileni. Umzi waseSisileni usezude kwowas'Ekukanyeni, nowa mi futi eSisileni, kulo elas'Ekukanyeni. Uzwani ke! safika kungxangaxa, ku selwa amathawala kubutene abantu abaningi, okwobane induna iyakupuma kusesa iye emaHluthshini. Wangxoxela ke uMahoza amazwi atunywe'wona, okuthi, Kutiwa kangobiza uLangalibalele eze kuHulumeni emGungundhlovu. Ke pa ngoba usebizwe katatu engavumi ukuya, sekuyakupuma impi iyekumbaba mba uma engasavumanga ukuya komku lu ngokumbiza kwami. Kutiwa kugwile le isibhamu sodwa emaHluthshini, abantu bonke bapete sona, soku umhlanga nje kubonakala ukuthi uLangalibalele useqonde ukulwa noHulumeni

ISAHLUKO IX.

UKUCITEKA KWEZWE LASEMA HLUTHSHINI NGO 1873.

Kute uba apume uMahoza kaMilandu wapelezelwa nguGayede kaMagedama kaKopo iNkosi yaseMakabeni noNobabizwa wakwa Dhladhla wase'Ekukanyeni beno Nomfihlela naye futi was'Ekukanyeni nabanye. Kwati ngemva kwake kwalandeliswa amaKamgedhile la eamba namaKola aseEdendale awabe epetwe ngu Lieut. Col. Durnford R. E. amaKamgedhilela epetwe ngu Capt. Barter. Waye wafika ke umfo kaMilandu kwelaseMaHluthshini. Wafika wangenisa emzini kaMavukwesapela wakwa Radebe, lapo yati uba imuzwe iNkosi ukuthi ufikile ungenise kona, yatumela inkomo yokumhlabisa. Nako ke kuthi ngolunye usuku esebekiwe enkosi ni wabizwa waya. Wati esemi pandhle emnyango engakange, amaHlabi abuzazi ukuthi utunyweni ka? Kapa uMahoza engatandi kakulu ukuzeka indaba yonke yokutunywa kwake kubantu, wamxusa kubu ukuba bamdelele ayokuluma neNkosi ukubo. Kapa uMahoza wabe ambete ibhuluko nemyembe neno libhantshi nebhantshi, ambet iji ngapela zulu, ngoba pela kwakumakaza kusebeka. Abuya ke amaHlabi pandhle kuye emxwayile, et i "Ugodhlieni wena, umu kuthi kangakha nje na?" Wapendula et i, "Angidhlieni luto, ngambete isingubo zami kupela." Lapo ke basondela kuye bamkaka, beti "Ake ukumule iji leli nebhantshi lako sibone, andu ba sikudelele uyongena endhlini eNkosi sini." Kwaba bulungu kuMahoza loko ukuba akunoyiswe iji ngabehantshi loko engena endhlini enkosi ni wabe esedumele kakulu. Nango ke esequgu ka. Po, amazwi, loko nansi impi yabelu lungu isifikele, izwe sehlile lonke nje emaHluthshini, seli igazi lonke.

Uyazipendulela uRev. P. Lamula

Mhleli otandekayo, -Ngivumele inda wana epepeni loko elitandekayo ke ngipendule uEph. Tshwelle Cele.

We Tshwelle, senaduka nizikohlisa ngokuthi nisolwa ngamaShishi, futi niti nifing'Zulu! Bengingajabula kabi uma ubutola abaningi abakulandelayo ku leyo ndhla yako yokuzikalela kuyihlo onguHulumeni, ngokwena njengalaba engithi benza ubugcwelelewe! Naku engikubiza kuwe: Ake ungithabe ngo ba tyatanda ukubavuna kuleyondhla ukuthi benzenjani ngalelola ukuze ngithi benza ubugcwelelewe nje na? Ngibabona ukuthi wawukona, mhlambe weda emva kwakulo. Yini uma utanda ukugcwelela ungabuzisi i kuthi ukwenza kwabo na? Ngibuzi futi ukuthi, Bapi namhla ngaloko kwenza kwabo na? Okwesitatu ngibuzi ukuthi, Uqinisele impela ukuthi babefuna imali yokusiza amakaya abo na? Mina angizimisele ukukuluma into yesikumba sokuba simnyama. nokuba abelungu batata iswe lakithi. Kodwa ngizimisele uku kuluma iqiniso lokuhamba kahle pambi kukaNkulunkulu nabantu. Uma wena ubungumuntu ongfandile, oke afunde amasepa esiNgali, ngabe uyabona ukuthi uyangitshala, impela uma ucabanga ukuthi ngivuna abelungu. Into yinye engizimisele yona, engingegudhluke futi kuyo. Mina ngizimisele into yoku ti: Uma umlungu, jense into engiyibona yo ukuthi ilungile nginokumtusa impela. Noma umuntu enza into elungileyo nginokumtusa impela. Kodwa uma umlungu noma umuntu enza into embi nginokumtusa noma entanda noma engatandi. Uma ubungangiqondi, ngiqonde namhla! Angesabi namlungu namu ntu uma esenza okubi, ukona uNkulu nkulu engimi pambi kwake, njengesiga sikaElija ngamprofeti. Kulike lika kololo nginamhloni ukupendula umu ntu onobuwala njengoNabala. I Sam. 25:25. Mina ngokwami, ngibona se ngathi ukona umkuthshane ode uwubona lapo eJohannesburg, ukuthi kukona aba fundisi abasibeka bona esikundhleni salomsebenzi. Kodwa kimi ngikuthela ukuthi ufanele ulande lendaba yako ku Nkulunkulu omthekileyo. Kuhle ukucele kwabafundile, uma ungafundile, bakuthshale ngoShimi (2 Sam. 16:5-13) nangomkhal indodakazi kaSaula, umka Davida (2 Sam. 6:16-23). Kunjalo kukona abantu abaningi abakalela izikundhla zahanye, bese behambe bepuputela nje bengacabangi ukuthi uNkulunkulu opayo. Senojwayela umku bo omubi impela ukuthi abantu aba bekwa uNkulunkulu emsebenzini wake Uyazi ukuthi yiso lesisono esitwaka kasi tetelelewa? Ke p a k e sikubambile! Uyazi ukuthi yiso isono sokutuka uMoya oyingcwele? Umeiyisa kanjani uNku lulunkulu wena uze uti ukololo ngawu nikwa abelungu? Bhaka ngikuthshale ngokungakudhli ukuthi leso isono sako sikubambile! Okokugcina ungituka ngokuthi ngizalwa uJim. Mina kangizi qayisi ngobaba noma wayemkulu ka ngakanani. Kodwa sengitanda ukwe neka isono sako pambi kwabantu babo ne ukuthi ukuluma into ongayaziyo nempela. Ubaba ngumDhlanevu wa kwaNgcaka, isimvubu esimakala, eza kxeza esikrebbeni. Wabutwa nguMpa nde, wayefuye esimhlope iTabentlaba ba, asidhla eSwazini ekulweni kwe Nkosi uMpande noSobhuza iNkosi yama Swazi. Ngibona nalapo izwe selitsetwe ngabelungu wabuye waba yinduna kaMatini (Martin) owaqala ukuba y iNkosi kwelakwa Zulu ngesaNkandhla. Wabe enemikhezo ngexto yeNkosi yakwaZulu, engawadhi amasi enko nyane ngoba amasipo egeda intamo Kantike wena mfana womunye umfana uziqayisa ngomfana nje! Kawazi ukuthi uyihlo waye'libuto lesine kwelaba ubaba na? Ubaba elanywa yiZingulube bese kuba iSangu, bese kuba iZinko ne, sekuba ngoyihlo mfana! Ubaba kwakungu Gidiba owehle ngendawana yake yedwana, umgobho ovela entabeni uZamisa zipume insingo, uMimela omkulu ongadhlwela sele, uGodo aba lubanda iminyakanyaka, mhlazana lupelayo bobanda! Niboyeka ukukuluma isindaba eninga ziqondayo. Ubaba ufe ngemakaya we mvula enkulu ka1917-1918 eseminyisa kungathi 100, ngoba uti kwati kufa uTshaka ngo1828 babe ngabafana mhlambe beneminyaka engulo, noma engapezulu.
